Classical Appointment Information

Classical appointments will be given twice per month when the Classis has four or fewer vacant churches.

When there are five or more vacant churches classical appointments will be given once per month.

Pastors are free to exchange with one another and/or rearrange dates with the host church, but it is expected that all appointments will be kept.

It is the responsibility of the vacant church to confirm appointments with the minister and to forward relevant information regarding expectations (ie - times and locations of services, Lord's Supper, etc.). Pastors, please check with the host church in advance about any expectations for the planning of the worship.
